PUBLIC VEHICLE INDUSTRY NOTICE

January 29, 2018

Notice No. 18-004

IMPORTANT NOTICE REGARDING **2013 MODEL YEAR TAXICAB VEHICLES**

The January 1, 2018 ordinance amendments eliminated a second scheduled vehicle inspection for newer taxicabs with a vehicle age of five years or newer. Newer taxicab vehicles (five years or newer) must submit to only one annual scheduled vehicle inspection

A taxicab with a vehicle age of **six years or older** must continue to submit to two scheduled vehicles inspections within a year.

In calendar year 2018, taxicabs with a model year of 2013 or older are required to submit to TWO scheduled vehicles inspections in 2018.

Due to a computer programming issue when the initial vehicle inspection schedule for 2018 was created, 2013 model year taxicabs failed to receive the required two scheduled vehicle inspections for 2018.

The issued was corrected and a new vehicle inspection schedule has been generated for 2018 to ensure all taxicabs are assigned the required number of vehicle inspections this year.

Please review the updated vehicle inspection schedule posted at the BACP webpage: www.cityofchicago.org/bacp
